### **THE COLORADO OUTDOOR RECREATION SEARCH AND RESCUE CARD VENDOR INSTRUCTIONS**

July 1, 2001, the Colorado Outdoor Recreation Search and Rescue Card (CORSAR) went on sale. The CORSAR card replaced the Colorado Hiking Certificate. Hiking certificates purchased prior to July 1, 2001 will be honored for the term of the card.

#### ***Why the change?***

The hiking certificate program was designed to allow hikers, bikers, bird-watchers and others who enjoy Colorado's outdoor recreation opportunities to support Colorado's volunteer search and rescue teams. The hiking certificate cost was \$1.00 for one year, with \$.25 going to the Colorado Search and Rescue Fund and a nickel going to the vendor. The new CORSAR card costs \$3.00 for a one year card and \$12.00 for a five year card. Of this amount, vendors keep \$1.00 from every one year card sold and \$3.00 from every five year card sold. The Colorado Search and Rescue Fund receives \$2.00 for every one year card and \$9.00 for every five year card sold.

#### ***How do I become a vendor?***

Fill out the attached application form and indicate how many cards (cards come in booklets of 40) you would like to have mailed to you. A maximum of 120 cards (3 booklets) will be mailed unless special arrangements are made in advance. The Department of Local Affairs will send you a packet containing the requested cards, a reporting form, and instructions. Vendors will be required to report sales quarterly, however, there is no pre-payment required from the vendor to sell the CORSAR card. The card is good for one year from the date of purchase. It's as simple as that.

The \$2.00 or \$9.00 per card raised from the sale of the Colorado Outdoor Recreation Search and Rescue card will go directly into the Search and Rescue Fund which reimburses county sheriffs for costs incurred during search and rescue operations. Because the vendor receives \$1.00 or \$3.00 for every card sold, this is a great fund raising opportunity for outdoor clubs, boy and girl scout troops, search and rescue teams, and anyone else who is interested in helping support volunteer search and rescue teams in Colorado.

After reading through the packet, if you have questions, please call us at (970) 248-7310.
